

## Практическая работа 3.1

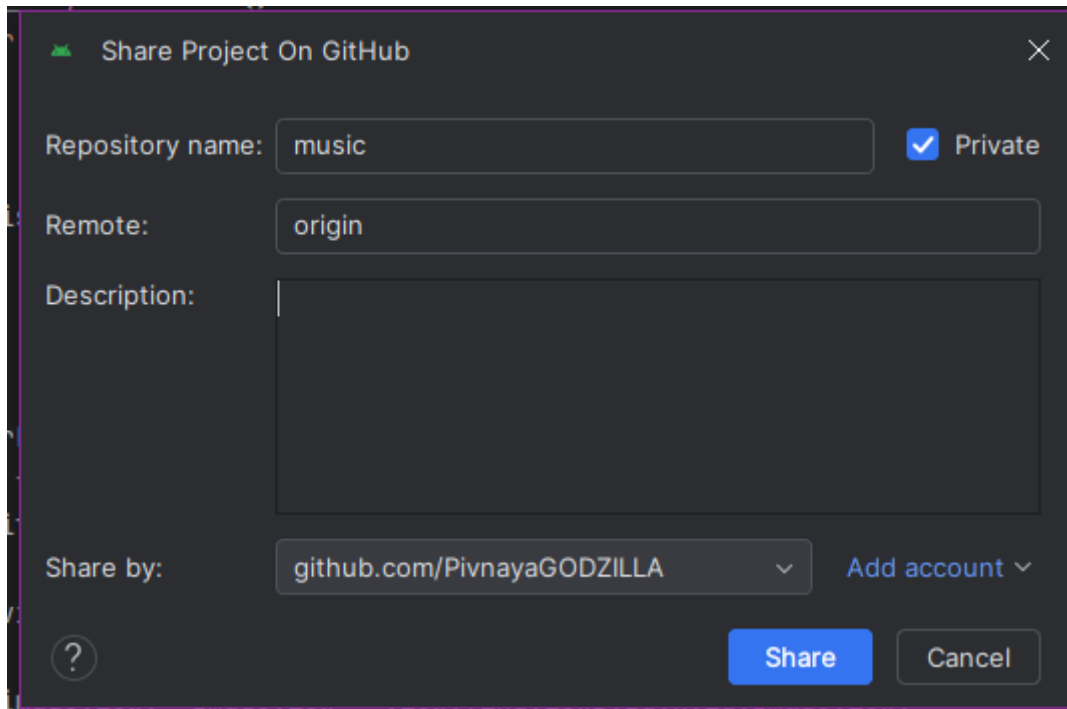

Заходим в Setting/VersionControl/GitHub

Заходи во вкладку vsc и используем share project on Github

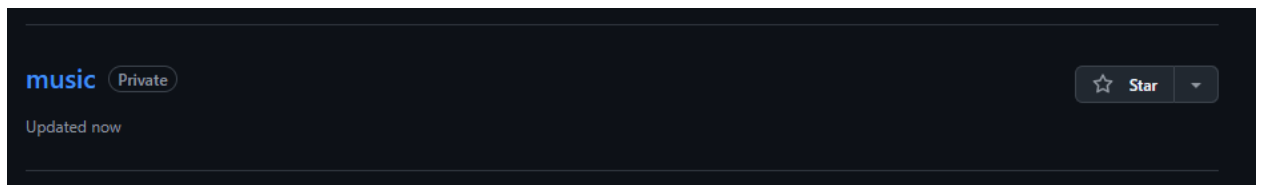

Выбираем наш профиль

The screenshot shows a dark-themed dialog box titled "Share Project On GitHub" with a close button (X) in the top right corner. The dialog contains the following fields and controls:

- Repository name:** A text input field containing the word "music". To its right is a checked checkbox labeled "Private".
- Remote:** A text input field containing the word "origin".
- Description:** A large, empty text area for entering a description.
- Share by:** A dropdown menu showing "github.com/PivnayaGODZILLA" with a downward arrow. To its right is a link "Add account" with a small downward arrow.
- At the bottom left is a help icon (question mark in a circle).
- At the bottom right are two buttons: a blue "Share" button and a "Cancel" button.

Нажимаем Cancel и смотрим наш репозиторий
